OFFICE OF THE ARCHBISHOP

March 17, 2023

My dear Brothers and Sisters in Christ,

For the last two years, The Rosary Team has faithfully brought Christ to some of the most neglected in our society. Visiting the sick and the elderly, members of the team meet at care facilities to pray the Rosary with the residents. Even during the Covid-19 pandemic they were able to provide the prayerful support and companionship needed by many who were otherwise isolated.

In the past year, The Rosary Team has received many requests from care facilities to come and pray with the residents. Adding another 40 facilities to their roster, the team of 150 volunteers prays in over 50 facilities. Despite this great growth, they are still not able to be present in every facility that asks them and The Rosary Team is seeking more volunteers who are willing to spend time in prayer with our elderly brothers and sisters.

As our Lord said, “the harvest is abundant but the laborers are few.” I encourage you to prayerfully consider volunteering with this apostolate so that more of our brothers and sisters can experience the loving presence of our Lord and the Blessed Mother in their lives.

May Jesus Christ abundantly bless you!

Sincerely yours in Christ,
